

Painting with a difference

The forthcoming Sundaram Finance Weekend activity at the Nageswara Rao Park on June 5, 2010 has a lot of 'painting surprises' in store for children. Doing away with the conventional paint brush, the programme between 4.30 pm and 6.00 pm will help children explore the different medium that can be used for painting and creating their own craft.

Registrations are limited . please call Ms. Deepthi Nachiyar at **9445034504** between **10a.m** and **5p.m.** to be part of this exciting art programme for children in the 8-12 age group.
(Registrations close by 5p.m on **June 3, 2010**).

The Weekend Activity is held once every quarter to give children the opportunity to bring out their talents in the naturally beautiful environs of the park. Certificates will be presented to participating children.
