11. Subsidiaries

- **Sundaram Asset Management Singapore Pte Ltd. (SAMS)**
SAMS, a wholly owned subsidiary of your Company registered income of SGD 4.8 million as against SGD 93.33 million, reported in the previous year. SAMS made a profit before tax of SGD 10.77 million for the year ended 31 March 2025 as against SGD 41.56 million reported in the previous year.
As of 31 March 2025, the average Assets Under

Management (AUM) of Sundaram Asset Management Singapore Pte Ltd. (SAMS) stood at ₹ 4,596 crore, compared to ₹ 8,347 crore in the previous year. The decline in AUM is attributable to the termination of the asset management mandate by the Kuwait Investment Authority (KIA), as communicated in its letter dated 5 August 2024.

- **Sundaram Alternate Assets Limited (SA)**

SA, another wholly owned subsidiary of your company acting as Investment Managers for Portfolio Management as well as AIF category II and III schemes. As of March 31, 2025 your Company manages 4 Category III and 5 Category II AIF funds with aggregate assets under management of ₹3,284 crs (previous year: ₹2,679 crs as of March 31, 2024).

During the year, your Company closed the Series IV of its real estate credit funds under AIF Category II with capital commitment of ₹1,217 crs, which is the largest single-fund capital raise in the history of SA to date.

Your company also launched Sundaram Alternates – Performing Credit Opportunities Fund – Series I, a close-ended AIF Category II fund and raised a commitments of ₹150 cr., during initial closing. This fund remains open to investors for subscription and is expected to close during the next fiscal year.

On the capital distribution side, SA's real estate credit Fund II made capital distributions of ~68% to investors in this year alongside income distributions of ~58% till March 2025 which has returned this fund at a multiple of invested capital (MOIC) of 1.58x as at year end. This fund is expected to be fully returned during the next fiscal.

Under Category III, Sundaram India Premier Fund, a close-ended consumption fund, made a capital distribution of ₹245 crs to the investors during its extended fund tenure of 2 years.

12. Consolidated Financial Statements

The Consolidated Financial Statements, drawn up in accordance with the applicable Accounting Standards, form part of the Annual Report. A separate statement containing the salient features of the financial statements of Subsidiaries in Form AOC-1 forms part of the Annual Report.

The annual accounts of all the Subsidiary Companies have been posted on your Company's website – www.sundarammutual.com. Detailed information, including the annual accounts of the Subsidiary Companies will be available for inspection by the members, at the registered office of the Company and will also be made available to the members upon request.

13. Fund Performance

While many of our funds turned in satisfactory performance, some are lagging at their benchmark during the year due to the steep rise in prices of the large number of small stocks driven by liquidity and portfolio managers remaining cautious. We continue to remain anchored to our medium to long-term

Investment focus and aim to deliver superior returns over time. Sundaram Midcap returned 24% since the inception of the fund (30-Jul-2002) and on a ten-year annualized return, Sundaram Midcap returned 14% as on 31 March 2025.

Your schemes were recognized by rating agencies and the press. Some of the accolades were:

14. Investors and Distributors

During the year, your Company continued its investor awareness initiatives in twelve adopted districts in Tamil Nadu. Your Company has been taking active steps including conducting financial literacy campaign in the districts that it has adopted.

For the year 2024-25, Investor Awareness Programs (IAP) was conducted in 439 centres. A sum of around ₹ 13.34 crores has been spent towards investor education by your Company directly and through AMFI. The Company had 22.62 lakh investors' folio as on 31st March 2025 as against 23.58 lakh investors' folio during the previous year registering decrease of 4.09%. Sundaram Mutual schemes enrolled 1,94,205 fresh Systematic Investment Plans (SIP) during the year.

Your Company has 71,816 empanelled distributors. The company supports its investors and distributors through 79 branches across the country. In addition, the company has access to over 712 locations operated by Sundaram Finance Group.

15. Regulation

SEBI comprehensively reviewed the regulatory framework for Mutual Funds and took necessary steps to safeguard the interest of investors and maintain the orderliness and robustness of their investments. Some of the critical changes are set out hereunder:

- A revised framework on "Alignment of Interest" (Skin in the Game – SIG) was introduced, requiring asset management companies (AMCs) to make mandatory minimum investments in their own schemes and provide enhanced disclosures, thereby aligning AMC interests more closely with those of investors.
- SEBI launched MITRA to help investors trace and reclaim inactive or unclaimed MF folios, offering greater investor convenience and transparency.
- SEBI introduced a simplified regulatory regime for passively managed mutual fund schemes, aiming to reduce compliance burdens and promote cost-effective investment products.
- Additional clarifications were provided under the Cybersecurity and Cyber Resilience Framework (CSCRF) for SEBI-regulated entities, reinforcing safeguards against cyber threats and enhancing the digital resilience of the ecosystem.
- Mutual fund units were brought under the definition of "securities" for the purpose of the SEBI (Prohibition of Insider Trading) Regulations, 2015. This measure strengthens governance and ensures consistency in the treatment of all market-linked instruments.
- SEBI eliminated the freezing of MF folios or demat accounts due to absence of nomination. A streamlined three-field process was introduced for updating nomination details, improving investor convenience.

- SEBI removed the requirement for having a specialized fund manager for schemes investing in commodities or overseas securities, granting AMCs greater operational flexibility.

Your directors welcome all the steps taken by the Regulator, as these measures are in the interest of greater transparency and accountability and protect the investors' interest and support the orderly growth of the industry.

16. Capital Market Outlook

Indian equities witnessed appreciable growth all through the first half of the year, backed by strong foreign investor inflows. However, with a change in the US' political dispensation, the narrative of elevated tariffs took centre stage. This caused a sharp unfavourable shift in the perception of US and Emerging Market risk-assets alike, causing foreign investors to withdraw their investments from these equity markets. However, towards the end of the fiscal, a political shift in Germany, alongside US overvaluations/tech disruptions led to significant outperformance of European equities and a pickup in flows towards the region, strengthening the Euro and weakening the dollar. Geopolitical uncertainties added on to the above volatilities, leading to a sharp outperformance of gold over most asset classes. While the US Fed started its rate cut cycle during the year, partly supporting the rally in gold, US' tariff policy uncertainties led to a pause and shift to data dependence.

The narrow market (Sensex) recorded an annual return of 5%, with a good part of the return seen during the first half of the year. The broad market (BSE500) delivered 4.8%. The mid and small cap index returns stood at 5.6% and 8% respectively.

The 10-year GSec yield witnessed a secular drop of 50bps, closing at 6.6%. The easing was structurally on the back of India's bond inclusion to key EM indices, lower US yields and a resultant positive yield spread, post hedging. AAA Corporate bond yields (5Y) also saw similar directionality during the year. Corporate credit spreads broadly tagged GSec yield movements directionally and stood at 59bps (from 55bps) during the fiscal year ending 31st March 2025.

India started the fiscal year 2024-25 with some moderation in its domestic macro variables, from elevated post-COVID levels. Foreign inflows remained extremely volatile during the fiscal. While H1 witnessed strong FII inflows into equities, H2 saw sharp outflows post the mid-fiscal political shift in the US. FII were therefore net sellers from India equities at \$(15)bn, with FII debt witnessing inflows to an equal extent of \$15bn, offsetting the broad weakness. Net FDI inflows also remained weak and witnessed a sharp drop to just around \$2bn in FY25, from \$10bn seen the year earlier. However, it is important to note here that gross FDI flows improved by 5% to just above \$75bn in FY25. The drop in net FDI has been solely driven by a sharp increase in repatriation. All of this was seen translating into rupee weakness, with a depreciation of 4.4% in FY25, closing the year at 86.6 to the dollar.

Credit growth moderated to 12% y/y, in FY25, from 16% levels seen earlier. Alongside growth moderation, the RBI's raising of risk weights on loan exposures to consumer credit/NBFCs in late FY24 and commercial real estate in early FY25 also had an appreciable impact on credit growth. India GDP growth was seen easing into 6%+ levels through the year, with a brief drop to sub-6% on the back of disappointing capex spending from the centre. FY25 is expected to average 6.5% for the full year, with some downside risks around US tariff policy changes. India inflation moderated 150bps to 3.3% on the back of a sharp drop in food inflation. RBI started its rate cut cycle ahead of time in Feb'25, and cut rates by another 25bps in Apr'25, ahead of another rate cut and a change in policy stance to accommodative in early FY26.

FY25 saw broad macros holding up with continued strength in e-way bills, domestic tractor sales and GST collections. However, passenger car sales remained weak alongside commercial vehicles. The year witnessed general elections with the NDA being voted back in power. While elections led to muted capex spending, the negative growth in capex continued for most part of the year, translated into lower corporate operating profit, leading to a large contraction in manufacturing GDP growth. However, with a gradual uptick in capex by Dec'24, manufacturing growth was seen picking up. Domestic liquidity deficit was a key highlight during the year and was caused by heavy dollar selling by the RBI towards containing the exchange rate. However, the RBIs continued liquidity measures through OMO purchases and FX swaps, helped turn a sharp liquidity deficit into a comfortable surplus. On spending patterns, the government's household consumption expenditure survey showed a narrowing urban-rural gap.

Into FY26, the centre projects a continued fiscal consolidation, taking India's fiscal deficit to 4.4%, well below market expectations. The Union budget also delivered a welcome and unexpected boost for consumption, through changes to IT slab rates. Income tax slabs under the new tax regime were widened, alongside better progression in tax rates. While all income brackets are set to benefit, estimates suggest that individuals in the ₹12-50 lakh brackets, would benefit the most, with a drop in effective tax rates in the range of 2.5-5%. 70% of the tax cut benefits are expected to get passed through to middle-income households. This is therefore expected to give a boost to discretionary consumption across various segments in FY26. GDP growth is expected to be in the range of 6.0-6.5% given elevated uncertainty around US tariff policy and resultant global growth. US tariff related uncertainties apart, growth in FY26 would be influenced by capex execution on the ground, impact of the direct tax cuts announced in the budget on consumption, RBI's rate cuts, impact of the risk weight cuts on NBFC loans, RBI liquidity measures, additional easing in crude prices and an expected payout from the decadal 8th Pay Commission. Inflation is expected to hover around 4% levels, given the expectation of a normal monsoon

in 2025. India's trade deficit continued to remain elevated, but rising software exports and remittances are likely to continue, helping keep India's current account deficit (CAD) in check, hovering around 1% of GDP.

17. Risk management

The Company has a well-established Enterprise Risk Management (ERM) framework. The core of the ERM framework consists of various policies, enterprise risk register, enterprise risk appetite framework, delegation of risk management responsibility framework, risk management KRAs for senior management, risk management department, risk monitoring and control tools, risk reporting, exception handling mechanisms, the annual Risk & Controls Self-Assessment (RCSA) exercise and the exclusive audit and assessment of overall ERM framework of the company done by an independent audit firm.

The Company has Executive Risk Management Committee with all department heads as members and the Board Risk Management Committee with Directors as members. Both the committees have well defined Terms of Reference and meet regularly to discuss the periodical agenda which would normally include, inter-alia, reviewing various types of risk exposures measured through relevant risk metrics and comparison of risk levels versus the risk appetite thresholds, approval of changes / updates to core areas of Risk Management framework and reviewing of independent auditor report in ERM framework.

The core aspects of the ERM framework are regularly reviewed for their effectiveness and practicality and suitable changes are introduced to adapt to a changing business environment. The observations in the reports of the Internal Auditor of the Company and Schemes relating to the financials and operations of the Company and schemes are considered for the above-mentioned review. The Board of the Trustees as well review the overall ERM framework of the company and has their own Board Risk Management Committee with Trustee Directors as members.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Sundaram Asset Management Company Limited

CIN-U93090TN1996PLC034615

21, Patullos Road, Chennai – 600002.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Sundaram Asset Management Company Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. I have conducted online and offline verification & examination of records, as facilitated by the Company for the purpose of issuing this Report.

Based on my verification of M/s. Sundaram Asset Management Company Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31.03.2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records

maintained by M/s. Sundaram Asset Management Company Limited for the period ended on

e) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, and

f) The Memorandum and Articles of Association.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above and there are no other specific observations requiring any qualification on non-compliances.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All decisions have been carried unanimously.
- The Company has obtained all necessary approvals under the various provisions of the Act.
- There was no prosecution initiated and no fines or penalties were imposed during the year under review under the Act, SEBI Act, SCRA, Depositories Act, Rules, Regulations and Guidelines framed under these Acts against / on the Company, its Directors, and Officers.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sundaram Asset Management Company Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Sundaram Asset Management Company Limited ("the Company"), which comprises the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policy information and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SA") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. Based on the audit we have conducted, we determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our

auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet and the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts of the Company.

- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.
- e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls with reference to the Standalone Financial Statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements. - [Refer Note 32 to the Standalone Financial Statements].
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts, required to be transferred, to Investor Education Protection Fund during the year by the Company.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities

identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- As stated in Note 43 to the Standalone Financial Statements, the interim dividend declared and paid by the Company during the year and until the date of this
- Based on our examination which included test checks, the company has used accounting software for maintaining its books of accounts for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per statutory requirements for record retention.

- As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditors' report

(Referred to in our report of even date)

The Annexure referred to in Independent Auditors' Report to the members of the company on the Standalone Financial Statements for the year ended 31st March 2025, we report that:

(i) In respect of the Company's Property, Plant and Equipment, Right of Use Assets and Intangible Assets:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a program of physical verification of Property, Plant and Equipment and right of use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) According to the information and explanation given to us, and the books and records verified by us and based on the examination we report that company does not hold any immovable properties held in the name of the company.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as of March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.

(b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

(iii) The Company has made not made any investments in companies but granted unsecured loans to staffs during the year, in respect of which we

report as under:

(a) The Company has provided loan which is in the nature of staff loan and the balance as on March 31, 2025 amounts to ₹ 65.39 Lakhs.

(b) In our opinion, the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest have generally been regular as per stipulation.

(d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.

(v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

(vi) The maintenance of cost records has not been specified by the Central Government under sub- section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

(vii) In respect of statutory dues:

a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Service Tax and other material statutory dues as applicable to it, with appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance,

- (ix) (a) Based on information and explanation given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purpose for which they were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies, and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) No whistle blower complaints were received by the company during the year (and up to the date of this report).
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards. [Refer Note 34 to the Standalone Financial Statements].
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) According to the information and explanations given to us and based on our examination of records, the Company neither undertakes nor contributes towards ongoing project and accordingly reporting under Clause 3(xx)(b) of the Order is not applicable.

Annexure B to the Independent Auditors' report

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the Standalone Financial Statements of Sundaram Asset Management Company Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls with reference to the Standalone Financial Statements

The Company's management is responsible for establishing and maintaining internal financial controls with reference to the Standalone Financial Statements based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to the standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the Standalone Financial Statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements .

Inherent Limitations of Internal Financial Controls with reference to the Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system with reference to the Standalone Financial Statements and such internal financial controls with reference to the Standalone Financial Statements were operating effectively as at March 31, 2025, based on the internal control with reference to the Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note 1 to the Financial Statements for the year ended 31st March 2025.**1. Reporting Entity**

Sundaram Asset Management Company Limited (the 'Company') is a public company domiciled in India, with its registered office situated at 21 Patullos Road, Chennai - 600002. The Company has been incorporated under the provisions of Indian Companies Act and is currently unlisted. The Company is a wholly owned subsidiary of Sundaram Finance Limited. The Company is engaged in rendering investment management services. The Corporate Identity Number of the company is U93090TN1996PLC034615.

2. Basis of preparation**A. Statement of compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the 'Act') and the relevant provisions of the Act.

The financial statements were authorized for issue by the Company's Board of Directors on 06th May 2025.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency.

C. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Financial assets and liabilities	Fair value at initial recognition
Net defined benefit (asset) / liability	Present value of defined benefit obligation less fair value of plan assets

D. Use of estimates and judgments

The preparation of the financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period, reported balances of assets and liabilities, and disclosure of contingent liabilities as at the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing

basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

E. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information is required, the Company assesses the evidence obtained by the third parties to support the conclusions that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

In respect of financial guarantee obligations the company measures the fair value as the present value of the probability weighted cash flows that may arise under the guarantee (i.e the expected value of the liability)

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes.

3. Material accounting policies

The note below provides a list of the material accounting policy information adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost of acquisition less accumulated depreciation and/or accumulated impairment loss, if any. The cost of an item of property, plant and equipment comprises its purchase price including non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Items of property, plant and equipment are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Losses arising from retirement or gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognized in the statement of profit and loss.

ii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using written down value method and is generally recognized in the statement of profit and loss. Expenditure incurred towards renovation, decoration, etc. in respect of leased office premises is capitalized under "Improvements to Rented Premises" and are depreciated over the shorter of the lease term and their useful lives.

Depreciation on property, plant and equipment is provided at rates prescribed in Schedule II to

the Companies Act, 2013. Assets costing ₹5000 or less acquired during the year are written down to Re.1.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate, prospectively.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).

b. Other intangible assets

i. Recognition and measurement

Intangible assets acquired by the Company are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognized on disposal or when no future economic benefits are expected from its use and disposal. Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss.

ii. Amortization

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortization in statement of profit and loss.

The estimated useful lives are as follows:

Asset	Estimate of useful life
Software	3 years
Asset Management Rights	10 years

Amortization method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

Intangible assets under development:

The intangible assets under development includes cost of intangible assets that are not ready for their intended use on the date of balance sheet less accumulated impairment losses, if any.

c. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined benefit plan - Gratuity

The Company provides gratuity, a defined benefit plan covering eligible employees. Contributions are made to a Gratuity Fund administered by trustees and managed by Life Insurance Corporation of India, The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted.

The calculation of defined benefit obligation is performed annually by an independent actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized in OCI. The

Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iii. Other long-term employee benefits – Compensated absences & Other Long term incentive

The Company makes an annual contribution to a fund managed by Life Insurance Corporation of India. The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. Provision for long-term compensated absences is made on the basis of actuarial valuation as at the balance sheet date by an independent actuary using projected unit credit method. Actuarial gain or loss is recognized immediately in the statement of profit and loss.

The Company's net obligation in respect of long-

term employee benefits other than post-employment benefits, which do not fall due wholly within 12 months after the end of the period in which the employees render the related services, is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and measured at fair value accordingly.

iv. Share Based Payments

Employee Stock Options

The employees of the company are entitled to participate in the Employees Stock Option Scheme formulated by the Holding Company in accordance with SEBI Guidelines 1999. As per Ind AS 102, Share Based Payments, a parent that grants rights to its equity instruments directly to the employees of its subsidiary has the obligation to provide the employees of the subsidiary with the equity instruments. The subsidiary does not have an obligation to provide its parent's equity instruments to the subsidiary's employees. The subsidiary shall measure the services received from its employees in accordance with the requirements applicable to equity-settled share-based payment transactions, and recognise a corresponding increase in equity as a contribution from the parent. Accordingly, the company has recognized the employee compensation expense in its financial statements, with a corresponding increase to a separate reserve created for this purpose.

d. Revenue

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The company accounts for a contract with a customer that is within the scope of IND AS 115, only when all the following criteria are met:

- (a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- (b) the entity can identify each party's rights

regarding the goods or services to be transferred;

- (c) the entity can identify the payment terms for the goods or services to be transferred;
- (d) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- (e) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, the entity considers the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

e. Contingent Liabilities

Contingent liabilities are disclosed when there is events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

f. Income tax

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to

set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously. MAT Credit Entitlement are in the form of unused tax credits and are accordingly grouped under Deferred Tax Assets.

g. Financial instruments

i. Recognition and initial measurement

All financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument. Trade receivables are initially recognized when they are originated.

A financial asset or financial liability is initially measured at fair value plus or minus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Transaction costs include fees and commission paid to agents (including employees acting as selling agents), advisers, brokers and dealers, levies by regulatory agencies and security

exchanges, and transfer taxes and duties. Transaction costs do not include debt premiums or discounts, financing costs or internal administrative or holding costs.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- FVTOCI - debt investment;
- FVTOCI - equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVTOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVTOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVTOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVTOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.
Debt investments at FVTOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognized in profit or loss. Other net gains and losses are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVTOCI	These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses

and income are recognized in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Any gain or loss on derecognition is also recognized in profit or loss.

iii. Derecognition

Financial assets

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is

recognized in profit or loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

h. Impairment

Scheme expenses & Commission - Certain scheme related expenses and commission paid to mutual fund distributors were being borne by the Company till October 22, 2018. These expenses had been charged in accordance with applicable circulars and guidelines issued by SEBI and Association of Mutual Funds in India (AMFI) and had been presented under the respective expense heads in the Standalone Statement of Profit and Loss. Pursuant to circulars issued by SEBI in this regard, with effect from October 22, 2018, all of these expenses, subject to certain permitted exceptions, are being borne by the respective schemes. New Fund Offer (NFO) expenses on the launch of mutual fund schemes are borne by the Company and recognised in the Standalone Statement of Profit and Loss as and when incurred..

1. Recognition of Finance Cost

Interest expense is recognized using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortized cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortized cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross

basis.

j. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Company as a lessee

Lease contracts entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course and vehicles taken on lease from holding company for its employees. The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset

representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability,

reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the remeasurement of lease liability due to modification as an adjustment to the carrying value of right-of-use asset and statement of profit and loss depending upon the nature of modification. In case of partial/full termination of lease, the lease liability is remeasured by decreasing the carrying amount of the right-of-use asset to reflect the partial or full termination of the lease for lease modifications that decrease the scope of the lease and recognise in the statement of profit and loss any gain or loss relating to the partial or full termination of the lease. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense. On transition, the Company recognised a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognized for amount equal to the lease liabilities. Hence, there is no adjustment to the Retained Earnings.

k. Business Combinations

Business Combinations are accounted for using Ind AS 103 'Business Combination'. Acquisitions of businesses are accounted for using the acquisition method unless the transaction is between entities under common control. Business Combinations arising from transfer of interests in entities that are under common control, are accounted using pooling of interest method wherein, assets and liabilities of the combining entities are reflected at their carrying value. No adjustment is made to reflect fair values, or recognize any new assets or liabilities other than those required to harmonise accounting policies.

Note 27: Capital Management

The Company manages its capital to ensure that it will be able to continue as going concerns while maximizing the return to stakeholders through the optimisation of the debt and equity balance. The Company's policy is to maintain a strong capital base so as to maintain investors, creditors and market confidence to sustain future development of the business.

The capital structure of the Company consists of debt and total equity of the Company as tabled below:

Particulars	As at March 31, 2025	As at March 31, 2024
Total equity attributable to equity share holders of the Company	47,856.26	38,682.69
Borrowings (Other than Debt Securities)	1,505.72	6,528.60
Total debt held by the Company	1,505.72	6,528.60
Total capital (Equity and Debt)	49,361.97	45,211.29
Equity as a percentage of total capital	97%	86%
Debt as a percentage of total capital	3%	14%

The Company is predominantly equity financed which is evident from the capital structure table above. The Company's risk management committee reviews the capital structure of the Company on an ongoing basis. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital.

Note 28: Financial Risk Management

The Company is exposed to a variety of financial risks; credit risk, liquidity risk and market risk, viz; foreign currency risk and interest rate risk. The Company has a risk management policy to manage & mitigate these risks.

The Company's risk management policy aims to reduce volatility in financial statements and aims to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Board of Directors reviews and agrees policies for managing each of these risks as summarized below:

Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to the financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers and investment securities.

Financial instruments that potentially subject the Company to concentration of credit risk consists of trade receivables, investments, loans, cash and cash equivalents and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. By their nature, all such financial assets involve risks, including the credit risk of non-performance by counterparties.

The Company periodically assesses the credit quality of the counterparties by taking into account their financial position, past experience, ageing of accounts receivables and any other factor determined by individual characteristic of the counterparty.

The maximum amount of exposure to credit was as follows:

Particulars	Balance As at March 31, 2025	Balance As at March 31, 2024
Investments	29,534.81	22,199.28
Trade receivables	4,383.37	3,338.60
Cash and cash equivalents	200.42	98.04
Bank balances other than Cash and cash equivalents	13.56	12.63
Loans	65.39	59.51
Other financial assets	349.91	296.22
TOTAL	34,547.46	26,004.27

Liquidity Risk:

Liquidity risk is the risk that the Company will not be able to encounter its financial obligations associated with financial liabilities as they become due. The Company manages its liquidity risk by ensuring, as far as possible, to maintain sufficient liquid funds to meet its liabilities on the due date. The Company consistently generates sufficient cash flows from operations (with adequate reserves) and has access to multiple sources of funding (banking facilities and loans from promoter company) to meet the financial obligations and maintain adequate liquidity for use.

The processes and policies related to such risks are overseen by Senior Management.

Notes forming part of the financial statements

For the period ended 31st March, 2025

(All amounts are in Indian rupees lakhs, except share data and as otherwise stated)

The Company has access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	31st Mar 2025	31st Mar 2024
Expiring within one year	-	-
Expiring beyond one year	-	-

Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Foreign Currency Risk:

- The fluctuation in foreign currency exchange rates may have potential impact on the Statement of Profit and Loss and Other Comprehensive Income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the Company.
- The Company's exchange risk arises its exposure to foreign currency assets and liabilities (primarily in SGD and AED). The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future.
- The Company periodically determines its strategy to mitigate foreign currency risk. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks..

The maximum amount of exposure to foreign currency risk is as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Investments		
In Singapore Dollars	2,781.03	2,781.03
Trade Receivables		
In Singapore Dollars	-	3.09

Total	2,819.80	2,801.87
Lease Liabilities		
In Emirati Dirham	14.66	32.73
Total	14.66	32.73

Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates arises on Company's debt obligations. The Company's borrowings are primarily based on the MCLR rates.

Sensitivity Analysis:

The following table sets out the effect on the Statement of Profit and Loss due to fluctuations in the interest rates:

Financial Liabilities- Borrowings	Impact of Profit/(loss) before taxation	
	31st March 2025	31st March 2024

TOTAL FINANCIAL LIABILITIES	3,321.20	8,838.90

Notes:

The Management assessed the fair value of cash and short-term deposits, trade receivables and trade payables, bank overdrafts, and other financial assets and liabilities as approximately equal to the carrying amounts largely due to the short-term maturities of these instruments.

Investments in Mutual Funds and Alternate Investment Funds have been valued using the Net Asset Value (NAV) of the investee which falls under Level I hierarchy of inputs used in valuation techniques.

Investments in MF Utilities Private Limited and AMC Repo Clearing Ltd has been valued using the financial statements of the investee which falls under Level II hierarchy of inputs used in valuation techniques.

Borrowings other than debt securities have been valued using the MCLR rate of the financial institution which falls under Level II hierarchy of inputs used in valuation techniques.

Fair value of loans is estimated based on the market inputs for the classification as per Level II hierarchy.

Lease Liabilities and Security Deposits Receivable have been valued using incremental borrowing rate which falls under Level II hierarchy of valuation techniques..

(All amounts are in Indian rupees lakhs, except share data and as otherwise stated)

7) Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The Key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the change in defined benefit obligation and impact in percentage terms compared with the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

	Year ended 31/03/2025		Year ended 31/03/2024	
	Discount Rate	Salary Escalation	Discount Rate	Salary Escalation
		Rate		Rate
Defined benefit Obligation on increase in 50bps	1,200.64	1,314	1,221.35	1,319
Impact of increase in 50bps on DBO	-4.36%	4.63%	-3.74%	3.99%
Defined benefit obligation on decrease in 50bps	1,313.91	1,200.44	1,319.55	1,221.05
Impact of decrease in 50bps on DBO	4.66%	-4.38%	4.21%	-3.96%

The sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Disclosures in accordance with Ind AS 102 - Share based Payments

"As per Ind AS 102, Share Based Payments, a parent that grants rights to its equity instruments directly to the employees of its subsidiary has the obligation to provide the employees of the subsidiary with the equity instruments. The subsidiary does not have an obligation to provide its parent's equity instruments to the subsidiary's employees. The subsidiary shall measure the services received from its employees in accordance with the requirements applicable to equity-settled share-based payment transactions, and recognise a corresponding increase in equity as a contribution from the parent. Accordingly, the company has recognized the employee compensation expense in its financial statements, with a corresponding increase to a separate reserve created for this purpose. The company has recognised employee compensation expense of ₹ 46.07 (previous year ₹58.49) during the year with corresponding increase to Employee Stock Options Reserve. Expenses in connection with the ESOPs allotted to the employees of subsidiary have been reimbursed from the subsidiary and netted off with expenses.

The disclosure as required under Ind AS 102 in connection with the options have been disclosed by the issuing entity i.e. the holding company.

Consolidated Financial Statements 2024-2025

INDEPENDENT AUDITOR'S REPORT

To the Members Sundaram Asset Management Company Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Sundaram Asset Management Company Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31st March 2025, the consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015 as amended and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2025, of consolidated profit including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013 and rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the audit we have conducted we determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's

Information, but does not include the Consolidated Financial Statements, standalone financial statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS specified under Section 133 of the Act and accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue

an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company and Subsidiaries to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably

knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the subsidiary companies, whose financial statements reflect total assets of ₹ 15,601.71 lakhs as at 31st March, 2025, total revenues of ₹ 16,038.82 lakhs and net cash outflow amounting to ₹ 94.50 lakhs for the year ended on that date as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and our report in terms of sub-section (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- f) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements of the Group and the operating effectiveness of such controls, refer to our separate Report in the "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to Consolidated Financial Statements of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group to its directors during the year is in accordance with the provisions of section 197 of the Act. On the basis of the reports of the statutory auditors of the Subsidiary incorporated in India, the remuneration paid by the Subsidiary to its directors during the current year is in accordance with the section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements - [Refer Note 33 to the Consolidated Financial Statements]
- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amount required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiary company incorporated in India.
- iv. (a) The respective managements of the company have represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide

any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The respective managements of the company and have represented that, to the best of their knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures performed by us that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above contain any material misstatement.
- v. Annexure-A to the Auditors' Report (Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Consolidated Financial Statements of Sundaram Asset Management Company Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") as of March 31, 2025 in conjunction with our audit of the Consolidated Financial Statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls with reference to Consolidated Financial Statements

The respective Board of Directors of the Holding company and its Subsidiary which is a company incorporated in India responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the respective companies considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A Company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance

regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid reports under section 143(3)(i) of the act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to the subsidiary company as at 31st March 2025 which is incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31st March 2025, based on the internal control with reference to Consolidated Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Sundaram Asset Management Company Limited and its subsidiaries
Note 1 to the consolidated financial statements for the year ended
31st March 2025.

1. Reporting Entity

Sundaram Asset Management Company Limited (the 'Company') is a public company domiciled in India, with its registered office situated at 21 Patullos Road, Chennai - 600002. The Company has been incorporated under the provisions of Indian Companies Act and is currently unlisted. The Company is a wholly owned subsidiary of Sundaram Finance Limited. The Company is engaged in rendering investment management services.

2. Principles of Consolidation:

The subsidiaries in the Group considered in the presentation of these consolidated financial statements are:

- (i) Sundaram Alternate Assets Limited (Wholly Owned Indian Subsidiary)
- (ii) Sundaram Asset Management Singapore Pte Limited (Wholly Owned Foreign Subsidiary)

The consolidated financial statements in all material aspects have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable. The audited financial statements of foreign subsidiaries have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or International Financial Reporting Standards. The differences in accounting policy, if any of the Company and its subsidiaries are adjusted in the consolidated financial statements, if material.

The Consolidated Financial Statements comprise the financial statements of the parent company and its subsidiaries consolidated for all entities which are controlled by the parent company. Control exists when the parent has power over an investee, exposure or rights to variable returns from its involvement with the investee and ability to use its power to affect those returns. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the effective date the control commences and ceases when the control is lost.

If the parent loses control over the subsidiary, the parent

- (i) *Derecognises*
- (a) the assets (including any goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost; and

- (b) the carrying amount of any non-controlling interests in the former subsidiary at the date when control is lost (including any components of other comprehensive income attributable to them).

(ii) *Recognises*

- (a) the fair value of the consideration received, if any, from the transaction, event or circumstances that resulted in the loss of control
- (b) if the transaction, event or circumstances that resulted in the loss of control involves a distribution of shares of the subsidiary to owners in their capacity as owners, that distribution; and
- (c) any investment retained in the former subsidiary at its fair value at the date when control is lost.

Reclassifies to the Statement of Profit and Loss, or transfer directly to retained earnings if required by other Ind ASs, the amounts recognised in other comprehensive income in relation to the subsidiary

Recognises any resulting difference as a gain or loss in profit or loss attributable to the parent.

- (d) For preparation of consolidated financial statements of the Group, the financial statements of the parent company and its subsidiaries have been combined on a line-by-line basis by adding together book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances and transactions and resulting unrealized gain/loss. The consolidated financial statements are prepared by applying uniform accounting policies in use by the Group.

Goodwill on consolidation

Goodwill represents the purchase consideration in excess of the Group's interest in the net fair value of identifiable assets, liabilities and contingent liabilities of the acquired entity. When the net fair value of the identifiable assets, liabilities and contingent liabilities acquired exceeds purchase consideration, the fair value of net assets acquired is reassessed and the bargain purchase gain is recognized in capital reserve.

Goodwill is measured at cost less accumulated impairment losses.

Impairment

Goodwill is tested for impairment on an annual basis and whenever there is an indication that the recoverable amount is less than its carrying amount. An impairment loss on goodwill is recognized in the Consolidated Statement of Profit and Loss and is not reversed in the subsequent period.

3. Basis of preparation

A. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the 'Act') and the relevant provisions of the Act.

The financial statements were authorized for issue by the Company's Board of Directors on 06th May 2025.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency

C. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items Measurement basis

Financial assets and liabilities Fair value at initial recognition

Net defined benefit (asset) / liability Present value of defined benefit obligation less fair value of plan assets

D. Use of estimates and judgments

The preparation of the financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period, reported balances of assets and liabilities, and disclosure of contingent liabilities as at the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

E. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information is required, the Company assesses the evidence obtained by the third parties to support the conclusions that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the

valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

In respect of financial guarantee obligations the company measures the fair value as the present value of the probability weighted cash flows that may arise under the guarantee (i.e the expected value of the liability)

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes.

Material accounting policies

The note below provides a list of the material accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost of acquisition less accumulated depreciation and/or accumulated impairment loss, if any. The cost of an item of property, plant and equipment comprises its purchase price including non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Items of property, plant and equipment are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Losses arising from retirement or gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognized in the statement of profit and loss.

ii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using written down value method and is generally recognized in the statement of profit and loss. Expenditure incurred towards renovation, decoration, etc. in respect of leased office premises is capitalized under "Improvements to Rented Premises" and are depreciated over the shorter of the lease term and their useful lives.

Depreciation on property, plant and equipment is provided at rates prescribed in Schedule II to the Companies Act, 2013. Assets costing ₹5000 or less acquired during the year are written down to Re.1.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate, prospectively.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

b. Other intangible assets

i. Amortization

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortization in statement of profit and loss.

The estimated useful lives are as follows:

Asset	Estimate of useful life
Software	3 years
Asset Management Rights	10 years

Amortization method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

Intangible assets under development:

The intangible assets under development includes cost of intangible assets that are not ready for their intended use on the date of balance sheet less accumulated impairment losses, if any.

c. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined benefit plan - Gratuity

The Company provides gratuity, a defined benefit plan covering eligible employees. Contributions are made to a Gratuity Fund administered by trustees and managed by Life Insurance Corporation of India. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted.

The calculation of defined benefit obligation is performed annually by an independent actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period.

to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iii. Other long-term employee benefits – Compensated absences

The Company makes an annual contribution to a fund managed by Life Insurance Corporation of India. The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. Provision for long-term compensated absences is made on the basis of actuarial valuation as at the balance sheet date by an independent actuary using projected unit credit method. Actuarial gain or loss is recognized immediately in the statement of profit and loss.

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits, which do not fall due wholly within 12 months after the end of the period in which the employees render the related services, is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and measured at fair value accordingly.

iv. Share Based Payments Employee Stock Options

The employees of the company are entitled to participate in the Employees Stock Option Scheme formulated by the Holding Company in accordance with SEBI Guidelines 1999. As per Ind AS 102, Share Based Payments, a parent that grants rights to its equity instruments directly to the employees of its subsidiary has the obligation to provide the employees of the subsidiary with the equity instruments. The subsidiary does not have an obligation to provide its parent's equity instruments to the subsidiary's employees. The subsidiary shall measure the services received from its employees in accordance with the requirements applicable to equity-settled share-based payment transactions, and recognise a corresponding increase in equity as a contribution from the parent. Accordingly, the company has recognized the employee compensation expense in its financial statements, with a corresponding increase to a separate reserve created for this purpose.

d. Revenue

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The company accounts for a contract with a customer that is within the scope of IND AS 115, only when all the following criteria are met :

- (a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- (b) the entity can identify each party's rights regarding the goods or services to be transferred;
- (c) the entity can identify the payment terms for the goods or services to be transferred;
- (d) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- (e) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, the entity considers the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in

the contract if the consideration is variable because the entity may offer the customer a price concession.

e. Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are, measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognized in profit or loss account.

f. Provisions (other than for employee benefits)

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

g. Income tax

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously. MAT Credit Entitlement are in the form of unused tax credits and are accordingly grouped under Deferred Tax Assets.

iii. Direct and Indirect tax contingencies

In respect of the ongoing disputes if any the Company depending on probability of the uncertainty that the company will loose the subsequent appeals provides for the same by debiting the profit and loss account or discloses the same as a direct tax contingency.

h. Financial instruments

i. Recognition and initial measurement

All financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument. Trade receivables are initially recognized when they are originated.

A financial asset or financial liability is initially measured at fair value plus or minus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Transaction costs include fees and commission paid to agents (including employees acting as selling agents), advisers, brokers and dealers, levies by regulatory agencies and security exchanges, and transfer taxes and duties. Transaction costs do not include debt premiums or discounts, financing costs or internal administrative or holding costs.

ii. **Classification and subsequent measurement**

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- FVOCI - debt investment;
- FVOCI - equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at

amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.
Debt investments at FVTOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognized in profit or loss. Other net gains and losses are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVTOCI	These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in

OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Any gain or loss on derecognition is also recognized in profit or loss.

iii. Derecognition

Financial assets

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle

the liability simultaneously.

i. Scheme expenses

New fund offer expenses are recognized in the profit or loss account in the year they are incurred. Brokerage expenses incurred are amortised as under:

Incurred towards	Amortized over a period of
Equity Linked Savings Scheme	36 Months
Open Ended Equity Schemes – SIP	36 Months
Open Ended Equity Schemes – Lumpsum	12 Months
Closed Ended Schemes	Over the Tenor of the Scheme

j. Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held (if any). Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held and for the effects of all dilutive potential ordinary shares.

k. Cash flow statements

Cash flow statements are prepared under Indirect Method whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

l. Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks.

m. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain

to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Company as a lessee

Lease contracts entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course and vehicles taken on lease from holding company for its employees. The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be

readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the carrying value of right-of-use asset and statement of profit and loss depending upon the nature of modification. In case of partial/full termination of lease, the lease liability is remeasured by decreasing the carrying amount of the right-of-use asset to reflect the partial or full termination of the lease for lease modifications that decrease the scope of the lease and recognise in the statement of profit and loss any gain or loss relating to the partial or full termination of the lease. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense. On transition, the Company recognised a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognized for amount equal to the lease liabilities. Hence, there is no adjustment to the Retained Earnings.

Company as a lessor

The Company accounted for its leases in accordance with Ind AS 116 from the date of initial application. The Company does not have any significant impact on account of sub-lease on the application of this standard.

Note 28: Capital Management

The Company manages its capital to ensure that it will be able to continue as going concerns while maximizing the return to stakeholders through the optimisation of the debt and equity balance. The Company's policy is to maintain a strong capital base so as to maintain investors, creditors and market confidence to sustain future development of the business..

The capital structure of the Company consists of debt and total equity of the Company as tabled below:

Particulars	As at March 31, 2025	As at March 31, 2024
Total equity attributable to equity share holders of the Company	52,237.06	43,112.26
Borrowings (Other than Debt Securities)	2,547.38	8,403.60
Total debt held by the Company	2,547.38	8,403.60
Total capital (Equity and Debt)	54,784.45	51,515.86
Equity as a percentage of total capital	95%	84%
Debt as a percentage of total capital	5%	16%

The Company is predominantly equity financed which is evident from the capital structure table above. The Company's risk management committee reviews the capital structure of the Company on an ongoing basis. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital.

Note 29: Financial Risk Management

The Company is exposed to a variety of financial risks; credit risk, liquidity risk and market risk, viz; foreign currency risk and interest rate risk. The Company has a risk management policy to manage & mitigate these risks.

The Company's risk management policy aims to reduce volatility in financial statements and aims to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Board of Directors reviews and agrees policies for managing each of these risks as summarized below:

Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to the financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers and investment securities.

Financial instruments that potentially subject the Company to concentration of credit risk consists of trade receivables, investments, loans, cash and cash equivalents and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. By their nature, all such financial assets involve risks, including the credit risk of non-performance by counterparties.

The Company periodically assesses the credit quality of the counterparties by taking into account their financial position, past experience, ageing of accounts receivables and any other factor determined by individual characteristic of the counterparty..

The maximum amount of exposure to credit was as follows:

Particulars	Balance As at March 31, 2025	Balance As at March 31, 2024
Investments	24,532.94	17,657.42
Trade receivables	6,593.13	5,810.43
Cash and cash equivalents	1,055.00	858.09
Bank balances other than Cash and cash equivalents	4,085.50	4,083.54
Loans	71.35	71.96
Other financial assets	406.62	308.65
TOTAL	36,744.52	28,790.08

Liquidity Risk:

Liquidity risk is the risk that the Company will not be able to encounter its financial obligations associated with financial liabilities as they become due. The Company manages its liquidity risk by ensuring, as far as possible, to maintain sufficient liquid funds to meet its liabilities on the due date. The Company consistently generates sufficient cash flows from operations (with adequate reserves) and has access to multiple sources of funding (banking facilities and loans from promoter company) to meet the financial obligations and maintain adequate liquidity for use.

The processes and policies related to such risks are overseen by Senior Management.

Notes forming part of the consolidated financial statements

For the period ended 31st March, 2025

(All amounts are in Indian rupees lakhs, except share data and as otherwise stated)

The Company has access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	31st Mar 2025	31st Mar 2024
Expiring within one year	-	-
Expiring beyond one year	-	-

Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Foreign Currency Risk:

- The fluctuation in foreign currency exchange rates may have potential impact on the Statement of Profit or Loss and Other Comprehensive Income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the Company.
- The Company's exchange risk arises its exposure to foreign currency assets and liabilities (primarily in SGD and AED). The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future.
- The Company periodically determines its strategy to mitigate foreign currency risk. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks..

The maximum amount of exposure to foreign currency risk is as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Investments		
In US Dollars	0.16	0.16
Rent Deposits		
In Emirati Dirham	0.89	0.79
Bank balances other than cash and cash equivalents		
In Emirati Dirham	13.56	12.63
Cash and cash equivalents

Total	38.93	17.91
Lease Liabilities		
In Emirati Dirham	14.66	32.73
Total	14.66	32.73

Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates arises on Company's debt obligations. The Company's borrowings are primarily based on the MCLR rates.

Sensitivity Analysis:

The following table sets out the effect on the Statement of Profit and Loss due to fluctuations in the interest rates:

Financial Liabilities- Borrowings	Impact of Profit/(loss) before taxation	
	31st March 2025	31st March 2024
Increase by 1%	(221.01)	(163.60)

Notes:

The Management assessed the fair value of cash and short-term deposits, trade receivables and trade payables, bank overdrafts, and other financial assets and liabilities as approximately equal to the carrying amounts largely due to the short-term maturities of these instruments.

Investments in Mutual Funds and Alternate Investment Funds have been valued using the Net Asset Value (NAV) of the investee which falls under Level I hierarchy of inputs used in valuation techniques.

Investments in MF Utilities Private Limited and AMC Repo Clearing Ltd has been valued using the financial statements of the investee which falls under Level II hierarchy of inputs used in valuation techniques.

Borrowings other than debt securities have been valued using the MCLR rate of the financial institution which falls under Level II hierarchy of inputs used in valuation techniques.

Lease Liabilities and Security Deposits Receivable have been valued using incremental borrowing rate which falls under Level II hierarchy of valuation techniques.

Fair value of loans is estimated based on the market inputs for the classification as per Level II hierarchy.

7) Sensitivity Analysis:

	Year ended 31/03/2025		Year ended 31/03/2024	
	Discount Rate	Salary Escalation Rate	Discount Rate	Salary Escalation Rate
<p>Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The Key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the change in defined benefit obligation and impact in percentage terms compared with the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.</p>				
Defined benefit Obligation on increase in 50bps	1,371.28	1,502.17	1,132.68	1,230.37
Impact of increase in 50bps on DBO	-4.36%	4.63%	-3.74%	3.99%
Defined benefit obligation on decrease in 50bps	1,502.59	1,371.07	1,230.39	1,132.27
Impact of decrease in 50bps on DBO	4.66%	-4.38%	4.21%	-3.96%

'The sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Disclosures in accordance with Ind AS 102 - Share based Payments

As per Ind AS 102, Share Based Payments, a parent that grants rights to its equity instruments directly to the employees of its subsidiary has the obligation to provide the employees of the subsidiary with the equity instruments. The subsidiary does not have an obligation to provide its parent's equity instruments to the subsidiary's employees. The subsidiary shall measure the services received from its employees in accordance with the requirements applicable to equity-settled share-based payment transactions, and recognise a corresponding increase in equity as a contribution from the parent. Accordingly, the company has recognized the employee compensation expense in its financial statements, with a corresponding increase to a separate reserve created for this purpose. The company has recognised employee compensation expense of ₹46.08 (previous year ₹73.03) during the year with corresponding increase to Employee Stock Options Reserve.
